Dear Sir or Madam,

Hello, my name is Fred Ryder, President of the Central Florida Street Rod Association (CFSRA). We are a local not-for-profit club who is hosting its third annual Winter Wonder Car Show.

This year the show will be held on January 13 at Sun'n Fun in Lakeland, Florida. There will be two major Corvette shows at Sun'n Fun at the same time as our show. This will give sponsors exposure to lots of participants and spectators. Some proceeds from our show will benefit a local charity that will be named prior to the show. Show details are available at www/cflsra.com.

Each year we seek donations of cash or services that we in turn give away to the participants that attend the show. The reason for this letter is that we need your help again this year. We realize times are tough so anything you can donate will be greatly appreciated. All donations will be publicized at the event through advertising and public recognition. Through your kind contributions we hope to make this year's show bigger and better for the participants.

Thank you in advance for your consideration of what we think is a great cause. Please contact me if you have any questions.

Sincerely,

Fred Ryder
